2011-2012 P.L. 191 Goals Statement

The Western Boone County Community School Corporation shall strive to increase the percentage for the student instructional expenditure accounting categories as compared to the other expenditure categories as described in I.C. 21-10-3-4 for the next fiscal year by identifying efficiencies in all expenditure categories.

Construction expenditures are unique from year to year and must be not considered when comparing annual expenditures from year to year. Due to construction/renovation from capital projects expenditures, the percentage for instructional categories may not be increased when compared to total expenditures of all funds.

If any law enforcement agency reports to a school that a present or former student is missing, the principal or designee shall attach a notice to the student's school records stating that the child has been reported missing. This notice shall be removed whenever the school is notified that the child has been found or the child reaches eighteen years of age.

Service dogs are permitted on school buses and in classrooms to perform the functions for which they are trained.

When an animal(s) are to be brought into the school(s) notification will be made in advance. It is up to the parents to notify the teacher or principal if their student has any allergies. The school will not reveal the name of the student with allergy issues. If after an animal is brought into the school, the parent finds their student is allergic to the animal, the school will work with the parent and teacher to resolve the issue. If necessary, housekeeping (following guidelines) will clean all surfaces in the area to remove any animal dander that may still cause an allergic reaction by the student.

Cleaning: Cages shall be cleaned (following guidelines) by the person (not students) in charge of the animal on a routine basis as to avoid offensive odors or pest issues.
