"Building our future on the foundation of the past"

April 12, 2016

Western Boone County Community School Corporation
1205 N SR 75
Thorntown, IN 46071

Dear Board Members:

Fern Miner has been serving admirably on the Thorntown Public Library Board of Trustees as an appointee of the Western Boone school board. She was initially appointed to the board in April 2008; her second term will expire on May 1, 2016. Fern has expressed her desire to be reappointed.

Fern brings a wealth of knowledge and library experience to our board, and has served diligently as Treasurer-liaison for several years. She is conscientious and fair and is an active and willing participant in community events.

The library is supported by tax revenue from Jefferson, Sugar Creek, and Washington Townships and maintains representation from all three. Fern's appointment will allow us to retain a geographic balance. Your other two representatives on the library board are Joe Vaughn and Roger Boettcher.

I would appreciate your reviewing this appointment at your next meeting. In the event that the board sees fit to reappoint Fern, I have enclosed a Certificate of Appointment.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Christine M. Sterle'.

RE: 2016-17 School Student Handbook Revisions and Changes
DATE: May 4, 2016

We recommend that the current edition of the Thorntown Student Handbook be adopted with the following changes and corrections:

1. Cover Change all references from 2015/16 to 2016/17 throughout the handbook
2. Page 2 Change table of contents as appropriate
3. Page 4 Add new 2016/17 calendar
4. Page 5/6 Update School Personnel as appropriate
5. Page 6 Update attendance/truancy information when completed for the district. Clarification about our response to habitual truancy will be included.
6. Page 8 Update Textbook Rental Fees
7. Page 10 Update 2016-17 Immunization Policy
8. Page 14 Include ISTEP+ required testing information

ISTEP+ Information

Section 1111(b)(2)(l)(ii) of the federal No Child Left Behind Act requires all students be assessed academically in mathematics and reading. In Indiana, the statewide test that meets the NCLB requirement is ISTEP+. Every student attending a public, charter or accredited nonpublic school in Indiana must take the required Indiana assessments to graduate or, in the case of IREAD-3, avoid being retained. Furthermore, it is a violation of Indiana's compulsory school attendance laws for a parent to refuse to send his or her child to school for the purpose of avoiding tests, including assessments (See IC 20-33-2). The Indiana Administrative Code enforces this requirement by requiring that points be deducted from a school's performance and improvement category scores if the school fails to assess at least 95 percent of its students. The score determines a school's performance and improvement grade. Thus, students' failure to take Indiana's assessments may result in a lower A-F accountability grade.

As with any test, a student who is absent from school on the day (or time) he or she is scheduled to participate in required statewide testing will take the test upon their return to school. Absences for the purpose of abstaining from testing will be marked as unexcused, and class work missed during the student's absence, will not be accepted for credit.
