March 20, 2020

Dear WBOCCSC Parents,

In an effort to find a balance between eLearning and the demands being placed on everyone during this time of uncertainty, Western Boone County Community School Corporation has chosen to change our instructional schedule beginning March 30th.

Spring break will be extended through April 3rd. This means that no work will be assigned to students from March 23rd to April 3rd. All work previously assigned will still be due on March 30th. By April 3rd, all gradebooks will be updated in Harmony to reflect student progress.

Starting the week of April 6th, WBOCCSC will initiate a three-day eLearning week with new content and assignments posted on Monday, Wednesday, and Friday. This plan will continue through the week of April 27th. Each individual school will communicate the due dates for assignments. A copy of this new instructional schedule is attached to this correspondence.

Food service will resume March 30th and continue each Monday while schools are closed for those students in need. Distribution will take place at various locations throughout the community at noon. Families are asked to use this link: <https://forms.gle/eQr6PyiwfNaPqUaX8> to sign up for the meals for March 30th. This will allow our food service department the opportunity to prepare an appropriate amount of meals.

Thank you all for your cooperation and understanding. WBOCCSC will continue to keep you updated as new information becomes available.

Rob Ramey, Superintendent
