PAYING FOR MEALS:

You can utilize <https://www.myschoolbucks.com> to put money into your student's account and keep track of your student's account balance. You will need your student's ID number when setting up a myschoolbucks account. There is a small fee associated with utilizing myschoolbucks. It is very important to keep your student's account in the positive to avoid charging and having your student's account go in the negative. You may also send a check made out to the Western Boone Cafeteria with student's name and ID# noted on the memo. We can accept cash in an envelope labeled Western Boone Cafeteria with your student's name and ID#. We are not allowed to give students change. All money given will go into your student's account.

*Low and negative balance notifications are emailed weekly. Please watch your email for these notifications. Please keep your student's accounts in the positive.
