To Marching Band Students and Parents,

I am excited to announce that this year's marching will show be themed around the 3 Fates from Greek Mythology (still working on the title!! We've got great ideas for this show and are looking forward to making it happen! We beat our 2019 score last season, and I'm looking forward to pushing the bar even higher!

I understand that students have other sports and activities that they are involved in. Students who were in the marching band last year know that it was extremely helpful for us to start getting our fundamentals learned early. Marching Band Members, please speak with me about scheduling conflicts in advance.

The expected dates for the 2022 marching band are listed below and will be sent to the school board for approval.

Saturday Mini Camps from 9:00-12:00 on the following dates - 2/12, 2/26, 3/5, 4/23, 4/30, 5/7, 5/21

****We will start setting drill in April and May; These practices will replace the after school practices we had last year.****

Tuesdays 8:00-12:00 on the following dates - 5/31, 6/7, 6/14, 6/21

This means that there will be one arts credit earned for completing the summer. Please know also, that once you return this form, it is important for you to show up for all rehearsals and performances. I will be getting the drill written soon. Backing out after you have committed will result in holes in the drill, which will hurt our performance. I will be allowing participation in local fair activities and splitting the time with athletics; however, you will need to provide in writing what the scheduling conflicts are. Unexcused absences will lower your overall grade by one letter grade. FAILURE TO ATTEND will result in an F for the class. Please make certain you add all dates to your family calendar. By signing up for marching band, you will be expected to be present at the events listed above. ANY CHANGES TO THE SCHEDULE WILL BE ANNOUNCED ASAP!

Alpha Bakery

January 10, 2022

The Food2School Purchasing Cooperative and Alpha Bakery entered into a Contract, which became effective July 1, 2019 with an initial term of one year ending June 30, 2020 and extended for the 2020-2021 and 2021-2022 school years. Under the terms of the Contract, both parties have the option to renew for an additional one-year term as long as both parties agree to the terms as specified in the original proposal. *I have spoken with IDOE in regards to the "not to exceed 10% found in the original contract, Section 5.8. Due to the fact that Aunt Millies has removed themselves from the competitive bid and due to COVID-19 we have extensive increases due to supply costs. IDOE does concur that this puts us into an emergency situation and thusly removes the need to go out for RFP with this Contract. We may move forward with a renewal.*

The Members of the Food2School Purchasing Cooperative are requesting to renew the term of the original Contract for the 2022-2023 school year, July 1, 2022 through June 30, 2023. This will be the third renewal of a possible four (4) years. There will be one (1) additional optional renewal remaining.

Upon the Food2School Coordinator receipt of this signed Notice and attached Suspension and Debarment Form, this Notice will be presented for approval by the Food2School Lead District Board of Education and will be considered an amendment of the original Contract, as contemplated by the original RFP.

ATTN: BID DEPARTMENT

February 9, 2022

Dear Bid Department/Food Service Director:

We want to thank you for your business. As a family-owned business built on service, it has been our privilege to serve you, and that makes it difficult for us to share this letter with you.

Due to the ongoing challenges in the supply chain, labor shortages, and rising material costs, we have no choice but to modify our business model and redirect our delivery resources. Unfortunately, this means Aunt Millie's Bakeries will not extend current school bids for another school year and will not bid fresh breads for the upcoming 2022-2023 school year. However, please keep us on your bid request list in the event we may be able to service your schools again in the future.

We will continue to service your school through the current school year as agreed in the bid.

We are grateful that you gave us an opportunity to serve you, and we apologize for any impact this change will have on your business. We wish you the best moving forward.

Should you have questions regarding this letter, please email bids@auntmillies.com or reach out to Nick Wagner.

Sincerely,

Nick Wagner

Our Firm price will also include the .0051 per half pint operational increase plus a raw milk projected price increase. The combined increase of operational and raw milk projections will bring the total increase per half pint to:

.0125 1%

.0122 skim

We greatly value our relationship with Food 2 School and appreciate the opportunity to continue to service your members for the 2022/2023 school year.
