FOREIGN EXCHANGE STUDENTS

BP-6420

Western Boone County Community School Corporation recognizes the cultural value that foreign exchange students bring to our school and welcome the opportunity to host exchange students from other nations. In order to provide the best experience for our foreign exchange students and meet federal and state regulatory requirements, the following guidelines must be accepted by the student and placement agency prior to acceptance.

- Foreign exchange students who wish to be considered for enrollment must have demonstrated English language proficiency on the TOEFL, CPE, CEFR, or IELTS exam. Proof of appropriate test results verifying English language proficiency skills must be presented to the administration of Western Boone Jr.-Sr. High School prior to acceptance. The school reserves the right to decline placement based on a student's proficiency rating.
- Upon approved school enrollment, students must participate in a WIDA ACCESS Screener to measure English proficiency and determine eligibility for ESL programming, as required by Indiana state statute. Exchange students who are enrolled in the spring semester will participate in WIDA ACCESS testing, pursuant to IC 20-33-2.
- Staffing for Western Boone's English Second Language programs is based on school enrollment projections from resident enrollments. Foreign exchange students must demonstrate a level of academic English language proficiency to be successful without ESL support for academic content instruction.

_____ Student requires ESL programming for academic content and language support.

_____ Student declines ESL program participation for academic content and language support.

- Students enrolling as a foreign exchange student will be enrolled as a SOPHOMORE (Grade 10) and be included in the graduation cohort year of the SOPHOMORE class. It is the responsibility of the student and the placement agency to verify the grade placement requirements of the education agency in the student's home country. **NO CHANGES TO GRADUATION COHORT WILL BE MADE AFTER ENROLLMENT.**
- Enrollment will be limited to one academic school year.
- Academic course selection will be based upon academic transcript information, course availability, class size consideration, and recommendations and input from the sponsoring agency, student and family. The school administrator reserves the right to amend, change or alter student course selections or schedules as necessary.
- Acceptance for enrollment at Western Boone is exclusively the decision of the school administrator and Superintendent. Notice of acceptance or denial will be provided to the placement agency once determined.

Date Adopted: 3/14/23

To Marching Band Students and Parents,

I am excited to announce that the 2023 marching show will be titled "**Out of the Box**" and will be inspired by Cirque du Soleil! Neon colors! Tumbling! Juggling! This is going to be FUN!

I understand that students have other sports and activities that they are involved in. Students who were in the marching band last year know that it was extremely helpful for us to start getting our fundamentals learned early. Marching Band Members, please speak with me about scheduling conflicts in advance.

The expected dates for the 2023 marching band are listed below and will be sent to the school board for approval.

Winds/Guard- Saturday Mini Camps from 9:00-12:00 on the following dates – 2/4, 2/11, 3/4, 4/8, 4/29, 5/13, 5/20 **We will start setting drill in April and May! This REALLY HELPED last year!**

Please note that all students who return the attached form will be enrolled in the applied music course for the 2023 summerschool session. This means that there will be one arts credit earned for completing the summer. Please know also, that once you return this form, it is important for you to show up for all rehearsals and performances. I will be getting the drill written soon. Backing out after you have committed will result in holes in the drill, which will hurt our performance. I will be allowing participation in local fair activities and splitting the time with athletics; however, you will need to provide in writing what the scheduling conflicts are. Unexcused absences will lower your overall grade by one letter grade. FAILURE TO ATTEND will result in an F for the class. Please make certain you add all dates to your family calendar. By signing up for marching band, you will be expected to be present at the events listed above. ANY CHANGES TO THE SCHEDULE WILL BE ANNOUNCED ASAP!

SUBJECT: Bus Purchase

I recommend the purchase of 1, 2023 Endera White 14 capacity gas Special Purpose Bus from Kerlin Bus Sales & Leasing Inc.

At the last board meeting, my request to purchase 1, 2023 IC/Collins, 14 capacity gas Special Purpose Bus from Midwest transit was approved. The next day when I placed the order, I was told they were already all sold and did not have anymore. SP chassis are in very short supply.

I found stock Special Purpose Bus currently in production from Kerlin Bus Sales & Leasing Inc. This bus meets all my specification requirements. Of the 22 Special Purpose Buses in production, they only have 3 unspoken for. They have put a hold on one for me pending board approval.

The cost of this Special Purpose Bus is \$103,563. This is \$3,472 less than the IC/Collins Special Purpose Bus I tried to order.

Since these are already in production, delivery will either be In May of 2023 or August of 2023.

Thank you,

Lisa Pearson
