

SCIENCE CLUB

Have you always wanted to enter the Science Fair but didn't know where to start? Do you love science and experiments? If so, then we have something for you!!!

The Thorntown Elementary Science Club will help prepare you for this year's Science Fair. During the meeting, you will get help with project ideas, working through the scientific method, completing your display board and answering the judges' questions. Don't miss out on this opportunity to receive guidance in completing a successful science fair project. Complete the permission slip below and return to your teacher by **Friday, February 16.**

(No permission slips accepted after this date)

Club meetings will be right after school and end at 3:45 pm on the following dates.

February 21

February 28

March 6

Science Fair: March 13

Please sign the contract/permission slip below, cut it off at the line, and return it to Mrs. Lester.

I understand that being part of the club means my child will complete a project for the 2024 Science Fair.
