Aim High, Work Hard, No Excuses...It's the Wells Way!

News from Mrs. Stanley & Mrs. Burchfield: We could not be PROUDER of our students the past two weeks. Our 3rd -6th graders have worked SO HARD on the ILEARN test. Their focus and perseverance have been top notch!! We will continue with testing early next week and hope to have everyone finished by next Friday.

Grades K-2 will take their end of the year NWEA test May 5-8th. Each child has a personal reading and math goal. We can't wait to see what these kiddos accomplish in a few weeks! Results from both tests will be shared with parents as they become available.

Bingo, Books, Bikes, and More... On Tuesday, May 6th, we will host a Family Fun Night from 6:00-7:30. Come check out your child's artwork created in art class, play a few rounds of Bingo, see the science fair projects on display, enjoy some ice cream, and spend time together with our school community before we head off into summer. We will be giving away books and bikes that evening! We hope to see you there.

Science Fair: If your child wants to participate in the science fair this year but hasn't turned in the permission slip, we will accept those on Monday. Science Fair judging will take place the morning of May 6th. Ribbons will be awarded Monday, at 1:30 p.m. Entries will be on display for the public that evening.

Sssh!! Teacher Appreciation is Coming Soon: GWES teachers and instructional staff are the best!

This year our theme has been "In our Rocket Era", which is a play on Taylor Swift. Here are some fun ideas for recognizing the instructional staff at GWES. Participate if you wish.

Monday: "Are You Ready For It?" Welcome your teacher with a High-Five, a round of applause, or bring them their favorite school supply.

Tuesday: "It's Me, Hi!" Draw a picture or write a note letting your teacher know what you appreciate about them.

Wednesday: "Make the Whole School Shimmer" Throw kindness like confetti- give your favorite GWES staff member a compliment.

Thursday: "Our Teachers Never Go Out of Style" Dress like your teacher or wear their favorite color.

Friday: "Just Shake it Off" Bring your teacher her favorite drink.

New Students: Enrollment for new students for the 25-26 school year is now open. Preschool children should be 4 years of age by August 1st, and kindergartners should be 5 years of age by August 1st. The fee for our preschool is \$270 a month. We are accepting deposits and parent agreements for the preschool program now. Additionally, we are accepting students living outside our district for all grade levels pending there is space availability and certain criteria are met. If you know of someone thinking about joining us for next year, they should reach out to Mrs. Stanley.

Field Day is Coming Soon!! Parents, we are gearing up and preparing for our field day events on the last day of school! We are looking for parent volunteers to assist with some of the stations and activities that will be taking place on Thursday, May 22. A limited history background check will be required if you haven't done that this school year. If you are interested, please contact Mrs. Seneriz at: april.seneriz@webo.k12.in.us. We look forward to this exciting day to celebrate a great school year!

School Smiles Dental Care: The dentist is coming to our school on May 9th. The School Smiles on-site dental program provides dental care at our school for ALL students who sign up to participate. The dental team will set up inside our school and they accept Medicaid, private insurance, offer self-pay rates and grants. Registration is now open online at www.schoolsmiles.com/student-signup . If you have questions about this program reach out to Mrs. Demaree, our nurse.

Field Trips and Events: We have so many fun events scheduled for the end of the year. If you plan to chaperone a field trip or attend an event taking place during the school day you must have a criminal background on file in our office. Here is the link if you haven't filled one out this school year.

Summer Youth Camps: WEBO offers several youth camps for elementary students. Here is the link for registration:
